Dear _____,

The Kentucky Mountain Saddle Horse Association/Spotted Mountain Horse Association is interested in forming a partnership with you to include several of our classes in your show. We feel this partnership would be mutually beneficial to your organization and the association. Also Liability Insurance from our KMSHA carrier will be extended to cover your sanctioned Show at no cost to you.

Attached, you will find a document stipulating the required classes and a listing of some optional classes that you may add if you desire. While non KMSHA/SMHA members would be welcome to participate in these classes, if they wish to earn points toward our high point award program, they must ride a certified and registered horse, must be a member in good standing of the association and must hold a current rider's card.

Again, we look forward to the possibility of working with you to have a quality show with many participants! Please return the signed sanctioning form to the address below no later than February 28, 2011 so that we can advertise your show on the KMSHA/SMHA website.
