

KMSHA/SMHA FEES FOR SERVICES

Applications for Registration and Certification may now be sent via email to office@kmsa.com or uploaded to the new KMSHA/SMHA database my.kmsa.com soon to be available to Members only! You may also mail applications and photo's directly to the office as before.

KMSHA • PO Box 1405 • Georgetown, KY 40324

Temporary Registration (and prior to certification):

Foals 1 to 6 months old:	40.00
Foals 6 to 12 months old:	70.00
Foals Over 1 Year:	100.00

* Stud Colts and Fillies - both sire and dam must be registered and certified to breed KMSHA at the time of birth of the foal.

** Geldings - if one parent or neither parent is certified to breed, the foal must be filmed or observed by at minimum one licensed KMSHA Examiner

***From 2006 forward - all foals are required to have DNA on record for proof of parentage upon certification and before permanent registration

Certification of Mares & Geldings Under Saddle: Both Sire & Dam must be registered & certified KMSHA prior to foal's birth	50.00
Certification of Stallions Under Saddle: Both Sire & Dam must be registered & certified KMSHA prior to foal's birth	70.00

Requirements for Permanent Registration (above): Temporary Registration Certificate; Video or two Licensed Examiners Signatures required, plus 5 Photos: back, front, both sides, under the chin. DNA is required to be on file with the University of Kentucky for "Proof of Identity"

Registration/Certification of Geldings: Currently don't have a Sire or Dam registered & certified with the KMSHA	95.00
Appendix Mares: Currently don't have a Sire or Dam registered with the KMSHA	100.00
Registration/Certification of Mares: Mares over four years of age that have not been certified due to the age requirement or Mares that may be approved to be grandfathered into the Association and/or are registered with another Mountain Horse Breed	100.00
Registration/Certification of Stallions: Stallions over four years of age that have not been certified due to the age requirement or Stallions that may be approved to be grandfathered into the Association and/or are registered with another Mountain Horse Breed	160.00
No Registration Papers or with another Gaited Breed	250.00

Requirements for Permanent Registration (above): Both an under saddle and Conformation video or two licensed Examiners signatures are required, plus 5 Photos: back, front, both sides, under the chin. DNA is required to be on file with the University of Kentucky for "Proof of Identity"

Permanent Registration: All KMSHA and SMHA Horses must be certified to breed by their fourth birthday. Temporary registration certificate will expire on any KMSHA/SMHA 4 year old horse who is not certified as of December 31, 2006 and thereafter on their fourth birthday. If the registration papers have expired on any horse due to this directive, new papers will be issued only upon completion of official Certification of each horse. This applies to all Stallions, Mares and Geldings and will certify that they have now met the "Standard of the Breed".
